OBJECTIVE

Enthusiastic and detail-oriented Management Information Systems graduate with a strong academic background in user interface design, system development, and data analysis. Skilled in combining technical and analytical abilities gained through coursework and academic projects. Passionate about continuous learning and applying knowledge to real-world information systems and business contexts.

EDUCATIONAL BACKGROUND

AIMST University **(Oct 2022 – Oct 2025)**
Bachelor of Science (Hons) in Management Information Systems
- CGPA: 3.56
- Expected Graduation: 2026
- ***Final Year Project:*** *"My Car Assist" - Car Sales Agents and Customer Interaction Management System*

AIMST University **(Aug 2021 – Aug 2022)**
Foundations in Business
- CGPA: 3.63
- MUET: Band 3.5

SMK Aman Jaya **(2015 - 2019)**
Malaysian Certificate of Education

WORK EXPERIENCE

JABIL Green Point Precision (M) Sdn. Bhd **(Mar 2025 – May 2025)**
IT Support Intern (Internship)

- Provided on-site technical support to employees by diagnosing and resolving software, hardware, and network-related issues.
- Assisted in system setup, configuration, and maintenance to ensure efficient and secure IT operations. Monitored network connectivity, conducted troubleshooting for WiFi and device connections, and ensured optimal performance.
- Collaborated with the IT team to enhance system reliability and improve user experience across departments.
- Strengthened technical, communication, and problem-solving skills through hands-on experience in a professional IT environment.

Coppers Western Cafe, AIMST University **2024 (*Semester Breaks, 2–3 months*)**
Part-Time Café Crew

- Assisted in daily cafe operations including taking customer orders, food preparation, and food service.
- Rotated across multiple roles to support smooth workflow during peak hours.
- Assisted in promoting café offers on social media by creating story templates and supporting advertisement video shooting.
- Communicated effectively with customers to ensure accurate orders and a positive dining experience.
- Developed strong time management and teamwork skills while handling multiple tasks in a fast-paced environment.
- Improved interpersonal and service skills through regular customer interaction.

Home Tuition (Primary School Level) **(2022 - 2023)**
Teaching Assistant (Part-Time)

- Assisted in teaching primary school students by covering selected subjects during scheduled tuition sessions.
- Supported lesson delivery, explained concepts clearly, and helped students to complete exercises and revisions.
- Assisted in monitoring student progress and reinforcing understanding through practice activities.
- Developed communication, patience, and time management skills through one-to-one and small group teaching.

ACADEMIC PROJECTS

- **Online Jersey Store**
  Developed an online jersey store as part of an assignment using HTML, creating a structured and styled website to showcase jerseys and support basic user interactions.
- **E-Commerce Market Analysis**
  Analyzed the market and designed business strategies for an online jersey marketplace, focusing on target segments and competitive advantage.

- **Sales Dashboard with Power BI**
  Created an interactive sales dashboard using Power BI by integrating multiple data sources to analyze sales trends, monitor key performance indicators, and deliver actionable insights for informed business decisions.
- **Car Sales Agents and Customer Interaction Management System (Final Year Project)**
  Developed a customer interaction management system as part of a final year project to connect customers with car sales agents based on preferences such as location, language, and expertise. The system manages agent profiles, customer inquiries, ratings, and reviews to improve communication efficiency and enhance customer decision-making.

PROFESSIONAL CERTIFICATION AND TRAINING ATTENDED

- ***HTML, CSS, and JavaScript for Web Developers* - JOHNS HOPKINS UNIVERSITY Coursera**
- ***Introduction to CSS3* - JOHNS HOPKINS UNIVERSITY Coursera**
- ***Introduction to Systems Analysis* - IBM Coursera**
- ***[AI Course] The Next Frontier of Artificial Intelligence* – HRD Corp e-Latih**
- ***Tips Ajaib Menggunakan MS Excel* - HRD Corp e-Latih**
- ***Excel Battleground 2024* - SENTRAL College Penang**
- ***Cloud Technology Practitioner in Logistics and Warehousing* – HRD Corp MISI**

INVOLVEMENTS

- Participant, Save Green Save Generation (2022)
- Participant, Excel Battleground (2024)
- Participant, University Frisbee Competition (2024)
- Participant, 2-Hour Bootcamp Data Analytics (2025)
- Participant, 2-Hour Skill Camp on Frontend Bootcamp (2025)
- Participant, Cloud Technology Practitioner in Logistics & Warehousing (2025)

SKILLS

Web Technologies	**:** HTML, CSS, JavaScript, Responsive Design, PHP, MySQL, Bootstrap, Wix.com
Tools	**:** Visual Studio Code, SPSS, Power BI, PowerPoint, Word, Excel, Tableau
Designing	**:** Figma, Adobe Photoshop, Adobe Illustrator, Canva, Jitter
Soft Skills	**:** Problem-Solving, Teamwork, Communication, Adaptability**,** Risk Assessment & Mitigation, Risk Data Analysis and Visualization, Documentation and Reporting, Data Processing Techniques

LANGUAGES

English	**:** Proficient
Malay	**:** Intermediate
Tamil	: Native
